Ron,

Here is the letter you requested as per our conversation 3 weeks ago. In March or April 1987 one of my scouts, [REDACTED], and his mother and stepfather, approached me prior to the troop meeting and made an allegation of sexual misconduct against Clay Baker. Mr. Baker was one of my ASM's at the time.

During the conference with the boy and his parents, it was agreed to the satisfaction of all concerned, that Mr. Baker completely disassociate himself from Troop 320 and all scouting functions.

Recent inquiries to me from the Local Juvenile Authorities have brought to light that there were several youngsters in the troop that had been approached by Mr. Baker and touched or fondled on several occasions.

If you need any further information, please contact me and I will get it to you.

Yours in Scouting

Charles J. Maney, SM T-320

PERSONAL AND CONFIDENTIAL

SUBJECT: Clay Baker

Dear Ronnie:

Thank you for your letter of February 7, concerning the above named individual. We will establish a file which will lead to refusal of registration should it be attempted in the future.

I am enclosing a confidential record sheet which I would like to have completed so that we may identify Mr. Baker anywhere he might move in the country. If you have a paper in your file with his signature, we would also like that to aid in the identification process.

We appreciate the copy of the letter from the Scoutmaster indicating the concern. If any charges are to be filed against Mr. Baker, we would like the outcome of that action. It would also be helpful to have a letter or a statement from any of these parents or youth members as this would aid in strengthening our file.

Thanks for your help.

Sincerely,

Paul Ernst, Director  
Registration Service
